Math test scores

Review of math test scores

We scored higher on operational and multiple choice questions, we need to work on constructed responses.

ELA test scores

Students did better on math test than ELA test

iReady ELA scores

More students started on grade level this year than last year.

Action Plan

ELA - Identifying students who need additional support. Teachers can pull lessons from iReady. Teachers will use iReady data to track student growth.

Math - Identifying students who need additional support. Teachers can pull lessons from iReady. Teachers will use iReady data to track student growth.

Rigorous instruction

-Math & ELA leads go to the district office for meetings they turnkey to the staff.

-3k & Pre-k have their own professional learning modules
